

Your name on a pathway in Riverdale Park

The oldest park in Toronto and the centre of our renowned Heritage District needs a facelift. Cabbagetown Art & Crafts, the organization that has run the sale in the park during the Festival since 1988 generously donated \$5,000 to the City of Toronto to get the pathways paved with concrete. The sale of bricks has raised a further \$50,000. The result has been the replacement of all our park pathways in concrete and the creation of a patio in front of farm. We need to replace our outmoded lighting so we must keep investing in the future of our wonderful park.

You can purchase a brick engraved with your name, the name of a loved one, "in memoriam" to the departed or even to a favourite pet. It will be placed permanently in the park. It is a chance never to be repeated for you to put your dedication to aid in this historic park's renovation.

For your donation you will receive up to six lines on an 8X8" brick for \$150. Please print your letters below:

This campaign is ongoing and has the approval of the **Department of Parks, Forestry and Recreation**. Bricks will be placed in the fall. *Please see second page.*

The solid line indicates an 8X8" block. If you wish to see how your brick will look, print the letters in the order you prefer. The only typeface is a plain, non-serif typeface like this one. Letters will be made as large as possible, so the fewer the letters, the larger the type. Small letters tend to wear more quickly than large ones but if you wish, you may put more lines on the stone than the six recommended. You will receive a proof for your approval before it is engraved.
